From KNOCK, H.F.A.

CIRCULAR MESSAGE

17 Jan 46

To the person in charge of the Secret Cipher Office [RHO].

In view of the fact that the special numbers of cipher telegrams are frequently omitted when being transmitted by telegraph, it will be the duty of [2 groups unrecruited], as well as inserting the special number of each outgoing cipher telegram at the end of the cipher text, to encipher this special number before enciphering the signature; the 10th department [a] 3 groups unrecruited). For cipher telegrams and [2 groups unrecruited] special number [3 groups unrecruited).

~~SECRET~~

T.N. [a] The cipher department of the Soviet People's  
Committee of Foreign Affairs.
